(6 guns)

\* This OB is constructed from a casually listing. These units were probably present, but suffered no casualties, so their participation is uncertain.

\*\* It is possible that the second regiment of every brigade was present in the battle, but as they suffered no casualties in this combat they were not listed as being present.

Historical Section, Prussian General Staff, Der deutsch-französische Krieg 1870-1871, Ernst Siegfried Mittler und Sohn, Berlin, 1872.
